

Feedback and Complaints Management Policy and Procedure

1. Introduction

1.1 Purpose

This policy and the Policies and Procedures and related documentation set out in section 1.5 below (**Related Documentation**) supports DLS Allied Health to apply the Feedback and Complaints Management NDIS Practice Standard.

1.2 Policy Aims

DLS Allied Health is committed to ensuring that each participant has knowledge of and access to the provider's complaints management and resolution system. Complaints and other feedback made by all parties are welcomed, acknowledged, respected and well-managed.

1.3 NDIS Quality Indicators

In this regard, DLS Allied Health aims to demonstrate each of the following quality indicators through the application of this policy and the relevant systems, procedures, workflows and other strategies referred to in this policy and the related documentation:

- (a) A complaints management and resolution system is maintained that is relevant and proportionate to the scope and complexity of support delivered and the size and scale of the organisation. The system follows principles of procedural fairness and natural justice and complies with the requirements under the *National Disability Insurance Scheme (Complaints Management and Resolution) Rules 2018*.
- (b) Each participant is provided with information on how to give feedback or make a complaint, including avenues external to the provider, and their right to access advocates. There is a supportive environment for any person who provides feedback and/or makes complaints.
- (c) Demonstrated continuous improvement in complaints and feedback management by regular review of complaint and feedback policies and procedures, seeking of participant views on the accessibility of the complaints management and resolution system, and incorporation of feedback throughout the provider's organisation.
- (d) All employees are aware of, trained in, and comply with the required procedures in relation to complaints handling.

1.4 Scope

- (a) This policy applies to the provision of all services and supports at DLS Allied Health.
- (b) All permanent, fixed term and casual staff, contractors and volunteers are required to take full responsibility for ensuring full understanding of the commitments outlined in this Policy.
- (c) The relevant persons specified in the column corresponding to a procedure described in this policy have the responsibility to implement the relevant systems, procedures, workflows and other strategies referred to in the relevant procedure.

1.5 Related Documentation

The application of the above NDIS Practice Standard by DLS Allied Health is supported in part by and should be read alongside the Policies and Procedures and related documentation corresponding to this policy in the Policy Register.

- (b) services and supports that were not delivered to an appropriate standard

You can make a complaint to the NDIS Commission on an anonymous basis.

5.3 Support and assistance in relation to making complaints

All employees shall be responsible for ensuring appropriate support and assistance is provided to any person in connection with this Complaints Management System including any person who wishes to make, or has made, a complaint by:

- (a) providing accessible information to complainants (including the Feedback and Complaints Summary and this Complaints Management System) in relation to how to make a complaint;
- (b) providing a safe environment for a complainant to make a complaint or provide negative feedback without fear of adverse consequences, retribution or loss of service as a result of making a complaint;
- (c) treating all complainants with respect, recognising that the complaint is important to the complainant;
- (d) maintaining the confidentiality of parties involved in the complaint in accordance with section 8 below;
- (e) facilitating the participation of an advocate or other representative or support person in connection with the discussion and resolution of a complaint, if required;
- (f) providing Participants, families, carers and advocates with access to this Complaints Management System and the *Feedback and Complaints Summary*;
- (g) complying with this Complaints Management System and the *Feedback and Complaints Summary*;

Approved By: The Director of DLS Allied Health Pty Ltd	Version	2
Approval Date: April 2023	Next Scheduled Review	April 2025

- (h) advising complainants and potential complainants in relation to how a complaint or issue may be raised with the NDIS Commission and giving appropriate support and assistance to people affected by an issue raised in a complaint to contact the NDIS Commission;
- (i) appropriately responding to complaints, acknowledging, assessing and resolving the matter in a fair, efficient and timely manner with as little formality as a proper consideration of the complaint allows;
- (j) taking action in relation to issues raised in complaints;
- (k) if a serious risk is identified, taking corrective action;
- (l) keeping parties to the complaint appropriately involved and informed of the progress of the complaint;
- (m) ensuring that feedback and complaints data (both positive and negative) is considered in training and in planning service and support delivery;
- (n) ensuring the complaints process is procedurally fair and follows the principles of natural justice as set out in the *NDIS (Procedural Fairness) Guidelines 2018*; and
- (o) reviewing and evaluating the accessibility and effectiveness of the Complaints Management System and continually improving its processes.

5.4 Protection for employee disclosures

Employees are supported by the Director and Key Management Personnel to report incidents and complaints. There are no negative consequences for Employees in doing so. All Employees are advised that they can make a complaint on behalf of a person, parent/guardian or child to DLS Allied Health or to the NDIS Commission. All Employees are required to comply with this Complaints Management System and be aware of their roles and responsibilities in receiving, supporting, managing and resolving incidents and complaints.

6. Persons who will manage the receipt and resolution of complaints

If the complaint is about:

- (a) a person other than the Director, the complaint will normally be managed and dealt with by the Director unless the Director determines that an External Complaint Manager should manage and deal with the complaint; and
- (b) the Director, the complaint will normally be managed and dealt with by another senior staff Member at DLS Allied Health, however, if no such person exists or if it is otherwise inappropriate given the nature of the complaint for the senior staff Manager to manage the complaint, an External Complaint Manager will manage and deal with the complaint,

(Complaint Manager).

- (c) More than one person may act as Complaint Manager for organisational reasons or to avoid conflicts of interest or the appearance of bias.
- (d) More than one person may act as Complaint Manager for complaints involving multiple persons if required in order to avoid conflicts of interest or the appearance of bias.
- (e) If the complainant is not satisfied with the investigation and proposed resolution of their complaint in accordance with Section 7, they can seek a further review of the complaint by an External Complaint Manager (that has not previously acted as Complaint Manager in relation to the complaint). When undertaking their review of the complaint, the External

Complaint Manager must follow the same process in resolving the complaint as the Complaint Manager and as otherwise set out in section 7.

7. Procedure for resolving complaints

The Policy is supported by the following Procedures which are intended to clarify the responsibilities of the board, Director, Key Management Personnel, employees and other persons and make explicit the underlying principles of the Policy.

Procedure	Responsibility
<p>7.1 Overview.</p> <p>(a) Any Employee at DLS Allied Health may be a recipient of a complaint. However, in all cases, the Complaint Manager is primarily responsible for managing the process and resolution of complaints in accordance with this policy.</p> <p>(b) The Complaint Manager will use all reasonable endeavours to complete the following process (Complaints Process) within 21 days. The Complaint Manager will keep the complainant up-to-date on progress of the Complaints Process, particularly if there are any delays. It may be appropriate for the Complaints Process to be extended to ensure relevant parties are afforded procedural fairness.</p> <p>(c) The Complaints Process is to be applied in receiving and resolving all complaints at DLS Allied Health but the individual elements and actions the Complaint Manager decides to take may be tailored to each complaint (subject to any legislative requirements).</p> <p>(d) As part of the handling of a complaint under the Complaints Process, procedural fairness must be afforded to a person (including an employee) if their rights or interests may be adversely or detrimentally affected.</p>	<p>Recipient of Complaint, Director, Key Management Personnel and Complaint Manager</p>
<p>7.2 Receive complaint.</p> <p>(a) In the case of a verbal complaint, the recipient of a complaint should:</p> <ol style="list-style-type: none"> (1) genuinely listen to the complainant, their support person or advocate; (2) make sure the complainant feels comfortable; (3) acknowledge how the situation has affected the person; (4) thank the complainant for making the complaint; (5) take detailed notes of the complainant and the complaint including whether the complaint is specifically about the conduct of identifiable Employees or about the provision of supports and services that incidentally identify employees; 	<p>Recipient of Complaint, Director, Key Management Personnel and Complaint Manager</p>

9. Record keeping

- (a) A register of complaints will be kept in a complaint register for a minimum of seven years after the complaint has been made. The register will be maintained by the Director or Key Management Personnel and will record the following for each complaint or appeal:
- (1) details of the complainant and the nature of the complaint;
 - (2) date lodged;
 - (3) action taken (and in the event of adverse action, any facts and issues that were raised during the Complaints Process and upon which the adverse action was based);
 - (4) date of resolution and reason for decision;
 - (5) indication of the complainant being notified of the outcome; and
 - (6) complainant response and any further action.
- (b) Copies of all correspondence will be kept on the relevant Participant's file.
- (c) The complaints register and files will be confidential, and access will be restricted to the Director, Key Management Personnel and any Complaint Manager.
- (d) A statistical summary of complaints will also be kept in and maintained by the Director or Key Management Personnel and reviewed annually. The Director will be responsible for reporting complaints to the board at least annually.
- (e) Results from this report will be reviewed by the Director and Key Management Personnel and used to:
- (1) inform training by including a review of complaints (on an anonymous basis) in complaints handling training activities; and
 - (2) inform service delivery by taking the learnings from training activities.

10. Continuous improvement of the complaints management system

This policy, the Complaints Management System, the Complaints Process and the complaints register will be reviewed and evaluated by the Director and Key Management Personnel at least annually. This will include:

- (a) a review of all complaint and feedback policies and procedures; and
- (b) a review of Participant and Employee feedback about the accessibility and effectiveness of the Complaints Management System; and
- (c) implementation of a continuous improvement plan based on the review and feedback received.

11. General

11.1 Relevant Legislation, Regulations, Rules and Guidelines

Legislation, Rules, Guidelines and Policies apply to this policy and Related Documentation as set out in the Legislation Register.

11.2 Inconsistency

If and to the extent that the terms of this Policy are or would be inconsistent with the requirements of any applicable law, this Policy is deemed to be amended but only to the extent required to comply with the applicable law.
